Hawaii Silver Legislature

"From Grumble to Rumble"

A model legislature for senior citizens

November 16, 17 and 18, 2005,
8:00 a.m. 3 p.m., State Capitol

Here is "Your Chance To Rumble" by taking real, current issues through the law-making process with you playing the role of legislator, lobbyist or observer. This model legislature is designed to offer adults a lively, stimulating "learn by doing" experience.

You will use the House and Senate chambers and conference rooms at the State Capitol for the three days. Best of all, many bills passed by the Hawaii Silver Legislature will be considered by the real State Legislature in January!

Who may attend?

This event is open to all adults, 50+ years and older.

Pre-Hawaii Silver Legislature Activities

These activities are designed to inform you about legislative issues and to prepare you for the November Silver Legislature. They don't require registration and are open to the public (even those that are not going to the November event). Be sure to participate and tell your friends! More information? Call Laura Manis, 597-8838 or Carolyn Golojuch 672-9050.
