

# Eden at Home™

## Caring for elders who live at home

This meaningful workshop focuses on changing perceptions of elders at home and in the community. Applying Eden at Home™ concepts and The Ten Principles of The Eden Alternative®, will broaden awareness and provide tools on improving quality of life for elders living at home and their care partners by eliminating the three plagues of **loneliness**, **helplessness**, and **boredom**.

The workshop consists of two sessions. A follow-up talk story meeting to discuss how these concepts have helped you will be held a month later. Please plan to commit to the two meetings to benefit the most from the experience.

**Date: June 1<sup>st</sup> & June 8<sup>th</sup>, 2013 (Saturdays)**  
**Commitment to both sessions must be made.**

**Where: Our Lady of Good Counsel Church**  
**1525 Waimano Home Road, Pearl City**
